ANNUAL REPORT 2020-21

"Although the World is full of suffering it is also full of overcoming of it.

Helen Keller's words ring here as nations the world over grappled with the devastating Wave of death and suffering that Covid-19 brought along. The loss was immeasurable, loss of loved ones for some and loss of livelihood for several others. But in the midst of this entire Stakeholder stood together as one big rarely reaching out to each other to give medical, all round financial and emotional support. It is the spirit which holds the Community together, which is the back bone of every nation. The Pandemic brought along several challenges but with each challenge there was an opportunity to learn and evolve. The teaching-learning process witnessed several changes as teaching was held entirely online. Faculty rose to the occasion worked tirelessly to ensure that student did not suffer and Syllabus was covered on time. Besides continuation of extracurricular and other activities was ensured by Committees and departments which refers our commitment to student's holistic development

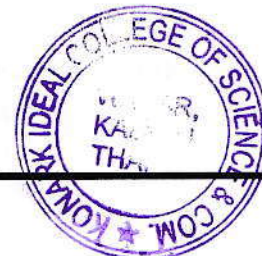

The entire academic year of 2020-2021 vibrant with webinars and workshops, special lectures and ONLINE competitions. This report evinces the traits of the struggle the result of Proactive engagements of Faculties, administrative staff and students. This would have been possible without the support of the Governing Body for which we are all grateful.
