## Report on Career Guidance, Interview Resume Building, Group Discussions

Our college had organized a workshop of on “Career Guidance, Resume Building, Group discussions, etc.” by T.I.M.E.S (TRIUMPHANT INSTITUTE OF MANAGEMENT EDUCATION PVT.LTD.) at II<sup>nd</sup> floor Seminar Hall 202 at 12.30 pm. on 5<sup>th</sup> February, 2019. And all the students of Degree College were informed much earlier by way of notice dated 23-01-2019. The speakers arrived on time and the session begins at 12.30 p.m. There was a complete team from T.I.M.E.S Mumbai Center., Mrs. Rehana Changi, Mrs. Vidya Krishnakumar and Mr. Tushar Mahajan. The workshop started by introduction, welcome speech by Principal (Gonsalvez Shrini T). The team were felicitated by a moment as a token by our respected Principal.

The session started by Mrs. Rehana Changi with career guidance and she explained the importance of English language over vernacular languages. She gave practical demo of group discussion with the help of students and also explain how to face interviews with confidence and has told about do's and don'ts in group discussions.

Then Mrs. Vidya Krishnakumar briefly explained the CAT syllabus and the importance of marks for selection of good colleges for further studies. Below are some points of her discussions:-

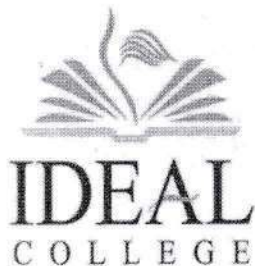

- CAT is the entrance exam conducted by the IIMs for admission into their Management courses.
- CAT scores are accepted by many prestigious Management institutes, such as FMS, SP Jain, MDI among others.
- CAT focuses intensively on General Aptitude (English, Math, Data Interpretation and Logical Reasoning). Hence, preparation for CAT equips you for most competitive exams such as Bank PO, SSB, Campus placements.
- What makes CAT special is the quality of opportunities it opens for you and also the nature of competition.
- The exam is quite rightly seen by many as the mother of all management entrance exams!

After the workshop students were satisfied by their valuable guidance. We thank our Management, Principal and staff for their support.
