Report on Online FDP – Department of IT

Date: 31/10/2020

A Two days Faculty Development programme was organized by on "30-10-2020" & "31-10-2020" on "Teaching & Learning: ICT Technology & E-Content Development" by IQAC & Department of B.Sc (Information Technology) of Konark Ideal College of Science and Commerce ,Bhal,Kalyan (E).

We are proud to announce that the FDP experienced an overwhelming response from faculty and aspiring researchers across several universities. A several number of participants registered for the event. Day 2 program began with a welcome address by Mr.Girish Khairnar, Assistant Professor, and Department of B.Sc (Information Technology) which was followed by the speaker's review of the participants work. During this event, eminent experts from Industry and academia guided the participants on various aspects of research in Science and Technology.

Also, the queries of the participants were well addressed by the speakers. During this 2 days Programme, there were 5 sessions followed by participant's feedback and quiz. The participants' feedback claims that participants found this FDP quite beneficial.

The programme ended with Vote of Thanks by Ms. Unnati Chaudhari, Assistant Professor, Department of B.Sc. (Information Technology). Feedback was received from the participants and E-certificates were sent to the participants by mail. On the whole the program was well appreciated by the participants. Many participants also requested to arrange similar FDPs in the future. An e-certificate was also issued to the participants who successfully completed the programme.

ABOUT FACULTY DEVELOPMENT PROGRAMME

This FDP on the use of ICT in education adds value to teaching and learning, by enhancing the effectiveness of learning. It is a kind of teaching and learning in technology-enhanced environment more stimulating and engaging than in a traditional classroom environment. The FDP aims at generating awareness among the participants and encourages learning through such platform. The FDP also involves hands-on on content development to make learning more interactive.

E-content development is meant to understand of E-content, learning object, designing and development of digital resources for teaching and learning. Thus this course aims in providing the knowledge and skill for teachers to cater to present day learners and their learning styles.
