## **REPORT ON WOMEN'S DAY**

International Women's Day (March 8) is a global day celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating gender parity.

No one government, NGO, charity, corporation, academic institution, women's network or media hub is solely responsible for International Women's Day. Many organizations declare an annual IWD theme that supports their specific agenda or cause, and some of these are adopted more widely with relevance than others. International Women's Day is a collective day of global celebration and a call for gender parity.

Konark Ideal College of Commerce & Science celebrated this day on 7<sup>th</sup> March, 2020 from 11.30 AM to 12.30 PM. The students celebrated the day by making greeting cards for all the women who are associated with them. All the students participated in the activities enthusiastically and made greeting cards in their respective classrooms. Students also surprised teachers by arranging games for the girl students and prepared a good speech for all the teachers and also for our Principal Ms. Shirin Gonsalvez.

The objective of celebrating the day is to encourage and motivate the girl students and help them to understand about women empowerment.
