REPORT ON VAN MAHAUTSAV

DATE : 8th July, 2018

Every man needs the oxygen for their life and Trees are the foremost source of oxygen as well trees help to reduce the level of co2. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees has become one of the most important today's aspects.

The Ideal Nature Club of Konark Is Ideal College of Science and Commerce organized "Tree Plantation Drive" programme. 7th July, 2018. It was attended by Our Principal Ms.Shirin Gonzalvez ,students, college staff and 8 student volunteers.

volunteers planted more than 10 plants planted on the divider of the roads. And in our college campus. There was also a seminar on importance of trees 132 students attended the program. The seminar started with a motivating speech by our principal ms. Dr. Shirin Gonzalvez. Students took a pledge to protect trees. Let us join hands and save Mother Earth by doing this small contribution.

Van Mahotsav Day celebration ends with a huge success under the supervision of the Mr. Prasad Deshmukh.
