REPORT ON WORLD ENVIRONMENT DAY

DATE : 5th June, 2018

Every man needs the oxygen for their life and Trees are the foremost source of oxygen as well trees help to reduce the level of co2. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees has become one of the most important today's aspects.

The Ideal Nature Club of Konark Is Ideal College of Science and Commerce organized "Tree Plantation" programme " on the occasion of World Environment day on 5th June, 2018. It was attended by Our Principal Ms. Shirin Gonzalvez ,students, college staff and 5 student volunteers.

Under the Guidance of Asst. Prof. Maurya pawan. volunteers planted more than 10 plants in college campus as well as outside the campus. The students also placed bricks as barricades and each student took the responsibility to nourish and maintain the allocated plant.
